Subject: Juneau Access project

Matthew and Becky,

Have you both talked about this project? It is a transportation project that is in SE AK. In the past we have submitted (a) and (b) letters for this project under 404(q). My understanding is that NEPA has received some info to review and I want to make sure we have this covered. Please discuss and let me know how we plan to cover it given both of your workloads.

Thanks

Michael J. Szerlog, Manager
